CREATED FOR CURVE APPEAL

RESIDENTIAL EXTERIORS

Illuminate front porches, patios, balconies, or garden walls while enhancing curb appeal.

COMMERCIAL SPACES

Create a welcoming and stylish ambiance for cafes and boutique storefronts, drawing attention to entrances or outdoor seating areas.

A design solution that transforms any environment with its cinematic glow and modern curves, the CINEMA Series enhances, highlights, and elevates the exterior of any space.

HOSPITALITY SETTINGS

Add a touch of elegance to walkways, poolside areas, or building facades, creating a luxurious and inviting atmosphere for hotels, resorts, and spas.

ARCHITECTURAL ACCENT

Highlight unique architectural features, such as columns, textured walls, or modern facades, providing a dramatic effect that emphasizes the design of a space.

CONTROL FULL OR DOWN

DOWN ONLY LIGHT

Designed to emit light downwards only provide focused, glare-free illumination ideal for pathways, entryways, and accent walls.

FULL (UP & DOWN) LIGHT

Dual-beam design adds depth, warmth, and ambiance to walls, making them perfect for both modern and classic settings.
