

SLEEK STYLE, EFFORTLESS INSTALL

Invite warmth and illumination into any space with an ultra-slim solution designed for direct installation onto standard junction boxes.

STYLE ON DEMAND

Swap, match, and refresh any space with interchangeable trims available in Matte Black or Brushed Nickel finishes.

KEY FEATURES

- Ultra-slim profile minimizes overhead obstructions and are suitable for low ceiling applications
- Available in 5", 7", 9", 12", 15" 19"*
Round and Square** designs
- Optional colored trim (Black or Brushed Nickel) accessories for design flexibility
- Translucent, glare-free lens for soft, comfortable light
- 5 CCT Selectable built-in (27/30/35/40/5000K) and 80/90 CRI
- TRIAC Dimming for a wide range of dimmer compatibility
- IC-rated direct contact with insulation
- Wet location rated for use in bathrooms and outdoor spaces

* 19" size only available in Brushed Nickel

** Square design not available in 15"

LOW PROFILE, HIGH IMPACT

Introducing the Sol Series Slim Surface Fixtures, a low profile surface mount fixture that brings a burst of illumination to any space. With a purpose-built design to simplify the installation process, they easily mount onto standard J-boxes, making them a perfect solution for retrofit and new build projects.

RECEPTION AREAS & LOBBIES

Elevate reception areas and lobbies with sleek, modern lighting that creates a welcoming and professional first impression. Their even, glare-free illumination ensures a comfortable atmosphere, enhancing visibility and setting a warm, inviting tone for visitors.

RESIDENTIAL / MULTI FAMILY SPACES

A modern, unobtrusive design complements a variety of interior styles while delivering bright, consistent lighting that enhances safety and accessibility in common areas and hallways.

SENIOR LIVING COMMUNITIES

Provide soft, even lighting that reduces glare and enhances visibility, which is important for aging eyes. Combined with their sleek, low-profile design, ceiling clutter is minimized while offering reliable, energy-efficient illumination for safe and comfortable living spaces.

OUTDOOR & DAMP LOCATIONS

Bring reliable illumination to outdoor spaces such as covered patios and entryways with a low-profile design that minimizes obstructions and maintains a clean, streamlined look.
